Missions Focus—John Redshaw (Cross Cultural International)

From Mid-September to Mid-October we spent time in Australia, visiting churches, partners & Classes in Melbourne, Shepparton, Wodonga, Wollongong, Sydney & Brisbane. We had the joy of spending time with two Congolese churches in Victoria & NSW. Their leaders studied BTCP while in refugee camps in Malawi. One has now started a BTCP class in Australia, the other hopes to start soon. In November we are planning time in Fiji, where we look forward to time with the BTCP class in Suva. This class is a group of church leaders from a variety of churches around Suva. Our time with them is always rich, we look forward to when these men are able to begin classes in each of their own specific contexts. Next we are looking forward to the 3rd BTCP graduation in American Samoa. This year one of the past graduates will be the key speaker for the graduation. IT will be exciting to meet up with him and hear how the Lord has been at work since we last met.

International Baptist Church Central

We are glad that you've come to join us in our worship service. The main purpose of our gathering is to magnify our Saviour and LORD, Jesus Christ, and to testify God's power through the preaching of His Word and the ministry of His people. As a result of our worship service, we pray, our lives will be transformed into the image of our LORD Jesus Christ to do His good works so that others may see Him in us and through us. If God gives you a desire to have a personal relationship with Him in Jesus Christ, please come and speak to one of us before or after the worship service today. May God's will be done in your life now and forever. "Grace and peace be multiplied to you in the knowledge of God and of Jesus our LORD." (2 Peter 1:2)
